PUBLIC NOTICE NO. 03/2020

DIN-20200175NK00008W99B9

Sub: ICES Advisory 01/2020 (SCMTR) dated 13.01.2020 – Registration and Application Process for all the Stakeholders – reg.

Attention of Custodians (ICD/CFS), Transhippers and all other stakeholders is invited to ICES Advisory 04/2019 dated 28.02.2019 on registration process under the new Sea Cargo Manifest Regulations (SCMTR). Initially, registration of only Authorized Sea Carriers (ASC) like Shipping Lines/Agents etc. was operationalized. Over the last few months, registrations of all other stakeholders have also been implemented.

2. While some stakeholders have registered successfully on ICEGATE, many are yet to do it. In this context, it is informed that vide Notification No 78/2019 – Customs (N.T.) dated 31.10.2019, the date of implementation of the new regulations have been fixed as 16th February, 2020. Consequently, many of the new messages are available for testing from the 15th January, 2020. In the interim phase till 15th February, 2020, the stakeholders are required to send the messages/manifests in the new format as well in addition to the existing formats. This would be the testing phase to ensure that the complete switchover to the new formats in February is smooth.

3. It is imperative, therefore, that all the stakeholders register on ICEGATE and apply from within their ICEGATE login to operate under the new SCMTR. Table 1 below gives a matrix of different entity types that are required to register along with the messages/manifests they would be required to file with Customs. Further details on these were given in earlier advisories and is also available on ICEGATE website under the new Sea Cargo Manifest Regulations link (<https://www.icegate.gov.in/SeaManifestRegulation.html>). With a few exceptions as detailed in column (iv) in the table below, the registration process remains largely the same for all the stakeholders which has been detailed in the above mentioned advisory 04/2019. The advisory also details on the process of approval of registration by the Customs officer in ICES.

TABLE 1

4. If the same entity is executing different roles, they have to apply separately for each of those entity types to be able to file the respective messages. The queries raised by Customs officer while approving the registration can also be answered by the applicants online through their ICEGATE login. In this context, it is clarified that currently there is no option with the applicants to upload additional documents while replying to query. Therefore, if any additional document is required to be seen by the officer, the same may be done manually and is not required to be submitted electronically. Further, it is clarified that there is no prescribed format for the self-declaration of “no pending cases” to be submitted along with the application. A self-attested declaration shall be accepted unless it is contradictory to any facts on record. Since this is a new registration process even for the stakeholders, queries shall be raised only if necessary. By the end of this month, option to amend the registrations would also be made available to the stakeholders on ICEGATE.

5. The email id on which test files can be sent by the stakeholders will also be shared soon. The testing will begin within a week with actual stakeholders and the new formats

as per the regulations will become effective from 16th February, 2020. It must be ensured that the registration process for everyone is complete and test filing of the different messages by the stakeholders begin immediately. A dashboard has also been made available in ICES to monitor the pendency/processing of the registrations.

6. Action to be taken in terms of decision taken in this Public Notice should be considered as standing order for the purpose of officers and staff.

7. Dr. Parampreet Rai, Deputy Commissioner (EDI) is hereby nominated as Nodal Officer for co-ordination and implementation. Difficulty, if any, may be emailed to the Nodal Officer (email address: parampreet1.raai@icegate.gov.in, Phone No.: 0161-2847470).
